

Irish Champions

Day 1 – Depart USA on transatlantic flight.

Day 2 – Arrive Dublin Airport. Meet and assist by our representative and transfer by private motorcoach to hotel.

Day 3 – Royal County Down Course

Founded in 1889, this course offers a challenge to even the most experienced golfers. The fact that this course has five blind tee shots and several obscured

approach shots makes it all the more formidable to play.

Day 4 - Portmarnock Golf Club

Located on a small peninsula, which extends into the Irish Sea, Portmarnock is surrounded by water on three sides and laid out in serpentine fashion, with no two successive holes

playing in the same direction. Unlike many courses in this respect, Portmarnock requires attention to wind direction.

Day 5 – Portmarnock Golf Links

Set in splendid surroundings overlooking the islands of Lambay and Ireland's Eye, you can hear the waves crashing nearby. Bernard Langer designed

the golf course in 1996 using natural dunes, elevated tees and greens, acutely angled doglegs and almost 100 bunkers.

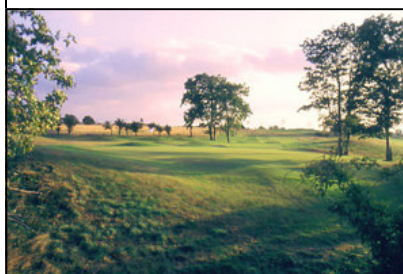

Day 6 – Druid's Glen

Steeped in history, Druids Glen owes its name to the pagan high priests, or druids, who worshipped in the

countryside in the 5th century. A druid's altar at the 12th hole remains as proof of their existence. Often referred to as the "Augusta of Europe", the course has won high praise from many leading professionals.

Day 7 – St. Margaret's Golf Club

This course boasts big dramatic holes like the roller coaster 12th, which rolls between two lakes and across a babbling brook to a

majestically elevated green. Wide forgiving fairways and neat par threes and greens play very true on this fascinating championship course.

Day 8 – Transfer by private motorcoach to Dublin Airport for return to USA
